## **NOTES FOR GROUP LEADERS**

### **Before your visit**

Please check confirmations and tickets immediately and call the Box Office straight away if you have a problem and we will do our best to rectify it for you.

Please note: only the group booker will be able to make changes to the booking.

Pre-order your programmes and ice-creams before you arrive. Not only do you get a discount but it also saves your group having to queue. Please talk to our Box Office staff about this.

You may find it easier to allocate individual seats in advance of your visit, using our seating plan on our website.

### **Arriving at the theatre**

Please arrive at least 30 minutes before the performance begins in order to collect your tickets from the Box office and to give your group enough time to use the facilities and get to their seats.

It is advisable to leave any shopping bags on your coach to give group members more room in their seats and to help avoid items being left behind.

Please ensure each member of your group has a ticket before entering the auditorium. We cannot admit anyone inside the auditorium without a ticket. We also advise that you keep a list of seat numbers and who each seat is allocated to.

Please note that latecomers may not be admitted into the auditorium until a convenient break in the performance. Individual pre-ordered programmes can be collected from any of our Front of House staff. Larger orders to be collected from the Box Office.

### **During the performance**

Please remind your group that mobile phones, iPads and other electronic devices need to be switched off.

The use of recording equipment is strictly prohibited in the auditorium. This includes cameras, video camcorders and mobile phone cameras. If used, Front of House staff may remove the item and return it at the end of the performance.

There will be an interval of around 20 minutes.

Individual pre-ordered ice-creams can be collected from any of our ice cream trays. Larger pre-orders will be brought direct to your seats.

### **After the performance**

It may be easier to wait until other audience members have left the auditorium before moving your group. This makes it easier to keep your group together while exiting.

Remember to check your seats in the auditorium to ensure no personal belongings have been left behind.

## **FIRST AID**

First Aiders are on duty at all performances. Please contact a member of the Front of House staff should you require a First Aider.
